Work done in this week:

- Conducted a revision session to reinforce previously taught concepts, ensuring better understanding and long-term retention.
- Provided personalized assistance to students facing challenges in specific subjects, helping build their confidence.
- Reviewed students' homework, offering constructive feedback to help them recognize and correct their mistakes.
- Encouraged collaborative learning by pairing students, allowing them to support each other in understanding difficult topics.
- Organized engaging activities such as storytelling and role-playing to make learning more interactive and enjoyable.
- Attended a motivational session led by the NGO's founder, where we learned about individuals who overcame hardships and achieved success.
- Reflected on the significance of education in empowering underprivileged children, discussing ways to keep them motivated in their learning journey.
